## Objective

To enter and process worked hours by Clients and supervised by Begeleiders

## Workflow

Legal file client is received and needs to be entered into the application. The hierarchy is as follows:  
ONE **Begeleider** has MORE **Clienten** that work a x-numer **Uren**.

Remarks:

- The worked hours is based on an schedule, which can change and must be able to mutate.
- When the number of rest hours = 0 the entire record needs to be transported into the list **Historie**.

## The Application:

### Start screen

When starting the application the following error message occurs: (top window, below menu)

After clicking **Opties** the following screen occurs:

After **Deze inhoud inschakelen** (enable this content) is clicked the following error message occurs:

(This element contains no object)

After clicking **OK** the application starts normally

**Note:** This error needs to be resolved.

## Screen Begeleider

When clicking the button Begeleiders in the main menu, this screen appears. The needed changes are listed below.

[illegible]

The two bottom buttons must stay relative to the last row. In other words, if there are rows added, these two buttons move down, until the page is full, after which a new page is started. In both the old and new page the two bottom buttons must appear.

**Important:** Deleting a Begeleider record must only be possible when there are NO existing relations (i.e. Clients and Projects). If there are relations a error message must appear with the text:

**Bestaande relaties aangetroffen! Verwijder eerst de bestaande relaties.** Only when there are NO relations deleting this record must be made possible.

When clicking the change button  the following screen appears:

**Begeleider**

Naam:

Voornaam:

Opmerking:

Functionality must stay intact

Shorten this space between the button **Projecten** and the Button at the bottom of this screen

Remove red cross and add text **Scherm Begeleiders**. Widen button to fit text.

Changes noted in image.

The two bottom buttons must stay relative to the last row. In other words, if there are rows added, these two buttons move down, until the page is full, after which a new page is started. In both the old and new page the two bottom buttons must appear.

## Screen Clienten

When clicking the button **Clienten** in the main menu, this screen appears. The needed changes are listed below.
