

## **Motor Theory course Amsterdam**

Do you want to pass for the Dutch motorcycle theory exam as soon as possible? Waste no time and contact us today!

Theoriehuis.nl (Theory House) is the first company in the Netherlands who offers a motorcycle theory course in English. The CBR has no option to take the motorcycle exam in English. Theoriehuis.nl makes this possible. The exam is with an interpreter who translates the Dutch questions into English. Foreigners finally get a chance to get their motor license for the motorcycle. Take this chance and wait no longer! Call us today for more information about the theory course, the prices and the availability.

## **Well prepared for your CBR theory test**

Because of our interactive approach, the theory course is not only educational but also fun! The theory course is focused on understanding the difficult CBR questions and giving the right answers at all time. Besides the theory you need to know how to drive safely on the Dutch roads and we also provide you of enough CBR questions which will prepare you for the CBR motor theory exam. We use the same successful Dutch motor theory course but now translated to English, especially for you. Guaranteed success!
